- The College had been chosen by the DfE to take part in a review of the College's COVID-19 response and work on mental health and wellbeing.

#### School White Paper:

The School White Paper and learner attainment would be the basis of discussions with the Director of Children's Services at Bolton Council.

The College had a successful external inspection review for the re-accreditation of the Matrix Standard (the sector kite mark for information, advice and guidance). The review report, as provided to the Board, confirmed that all previous identified strengths had remained with new strengths identified. The matrix accreditation was important as it demonstrated that the College provided independent and impartial advice.
