

MOTOR VEHICLE EMPLOYER ACADEMY Motor Vehicle Maintenance Apprenticeship Level 3

THE BEST YOUNG MOTOR VEHICLE PROFESSIONALS! GET INTO CAREER MODE

Motor Vehicle Employer Academy

Choosing a Motor Vehicle Apprenticeship with Bolton College makes sense; our brand new Motor Vehicle Employer Academy is supported by the RRG Group – one of the most successful car dealership groups in Northern England – as well as world-famous car brands Lexus, Skoda and Toyota!

You'll enjoy high-class training and inspirational teaching with even more benefits: training on the latest hybrid electric vehicle technology; experienced guest speakers from the RRG Group; mock interviews with recruitment experts from the motor vehicle sector; and access to the University of Bolton's National Centre for Motorsport Engineering!

The Benefits of an Apprenticeship

Apprenticeships offer great opportunities for people of all ages; an Apprenticeship is a job with training to industry standards, enabling you to enter a recognised occupation. All Apprenticeships are employer led, and as well as providing long term earnings, they also give you the ability to progress.

- You'll earn a wage as you're learning and are entitled to paid holidays.
- You can earn 10% more after studying on a Level 3 Apprenticeship than if you went straight in to work.
- 90% of apprentices remain in employment, either with their current employer or another company.
- 85% of employers participate in Apprenticeship programmes and consider them a good thing.
- You can train to post graduate level without incurring any university fees.
- By passing an independent End Point Assessment, you will join thousands of people acquiring a modern and recognised qualification.

Apprenticeship Overview

Our three year Apprenticeship programmes will give you vital hands-on experience, learning from real life situations, with the guidance of industry professionals. You'll gain the skills and confidence needed to excel in your chosen career.

This course will focus on servicing, testing and identifying faults with all types of motor vehicles. As a Service Technician you would be involved in a variety of tasks including servicing and tuning, replacing components and using specialist equipment to measure performance.

Bolton College is one of the few places in the Greater Manchester/Lancashire area that offers motor vehicle engineering training.

Apprenticeships are the ideal way of breaking into the automotive industry, as they provide 'on the job' experience combined with expert tuition.

The course is a great way to build on your skills and gain a recognised qualification whilst also earning a salary.

What You'll Learn

The Advanced Level Apprenticeship incorporates a greater level of responsibility within your daily tasks and duties. Once accepted on to the Apprenticeship, you'll study on a 'release' basis, spending occasional days at the College learning the knowledge that supports your Apprenticeship and the majority of your working days with your employer.

During your Apprenticeship, you will be trained and assessed in a variety of specialisms within the automotive industry. The exact areas covered will vary according to the focus of your course and the needs and demands of your employer. Typical areas covered include:

- Vehicle construction and routine maintenance
- Operating principles of engines
- Operating principles and maintenance of transmission systems
- Operating principles of electrical and electronic systems

You'll also gain:

- Functional Skills Level 2 in Maths, English & IT, unless you have achieved grades 8-4 at GCSE or equivalent
- Employee Rights & Responsibilities (ERR)
- Personal Learning & Thinking Skills (PLTS)

80% of your qualification will be gained in the workplace, although you may attend sessions in College that will cover the remaining essential areas of your training.

During your Apprenticeship, you will have a dedicated Work Based Tutor who will train you to industry standards; support your time in employment; and coach you to pass your End Point Assessment.

Entry Requirements

To complete an Apprenticeship you will need an employer who is willing to support you throughout your training. If you have not found one, we can help you with your search.

You will need GCSE Maths and English at Level 4 and/or a thorough knowledge of your chosen sector.

We'd like to see a proven track record of very good attendance at work/school, along with a good reference from school/a previous employer. We also ask that you have a satisfactory level of English and maths.

How will I be Assessed?

You'll be assessed throughout your learning programme by a mixture of formal tests, workplace observations, portfolio building and self-assessment.

Supporting Your Learning and Wellbeing

We have a range of dedicated support and wellbeing services including **FREE** travel, financial support, and impartial advice and guidance. Throughout your Apprenticeship, you'll also receive one-to-one support from your dedicated Work Based Tutor, helping you to achieve your ambitions.

Future Opportunities

On successful completion of this Apprenticeship, you could progress onto full-time employment, professional job-specific qualifications, Higher Apprenticeships or a degree programme.

Following further study you could work as:

- A Motor Vehicle Technician where you could earn up to £29,000 per year
- A Vehicle Body Repairer, earning up to £30,000 per year
- A Mechanic, earning up to £35,000 per year

Why Choose Us?

We're an elite College, and part of the University of Bolton Group, offering you a gateway to all of Greater Manchester's vast range of fantastic opportunities for specialist careers, university degree courses and higher Apprenticeships. We have an excellent track record of success with apprentices not only passing, but acquiring distinction grades!

We'll reward your achievements with trips to The Anderton Outdoor Activity Centre and the opportunity to apply for the prestigious Duke of Edinburgh Award.

Our £75 million campus offers a refurbished fitness suite and sports hall; Apple Mac suites; libraries, a theatre and dance studios; hair and beauty salon; and a restaurant, café and canteen.

You'll also enjoy a wide range of events, including showcases, enterprise activities and cultural celebrations.
