

### THE BEST YOUNG BRICKLAYERS!

## Study Programme Overview

This course will enable you to gain basic skills in bricklaying and enable you to enter the next level qualification, at which point your employability will be significantly increased.

The construction industry offers plenty of scope for working on a range of different projects, both at home and abroad, with the chance of one day becoming your own boss.

You will continue to develop the skills that you gained on Level 1 as you explore both practical and theoretical aspects of the trade, giving you the option of progressing to further study or employment.

Engaging with employers is also an integral part of this programme – we'll seek to ensure that you have opportunities to gain real-world experience of your chosen sector.

## What You'll Learn

Topics on your Study Programme will include:

- Health, Safety and Welfare in Construction and Associated Industries
- Understanding Information, Quantities and Communication with Others
- Understanding Construction Technology
- Set out Masonry Structures
- Construct Solid Walling Incorporating Isolated and Attached Piers
- Construct Cavity Walling Forming Masonry Structures

## Elements of Study

Your programme consists of the following elements:

- Study of your chosen vocational subject - 50% of your programme
- Employability skills, such as punctuality, attendance, communication and team work
- Work experience or an Industry Placement, giving you a taste of working life
- Tutorial and personal development, such as healthy living, volunteering and citizenship skills.

## Entry Requirements

Diploma Level 1 in Brickwork or previous experience of construction and bricklaying.

## How will I be Assessed?

You will be assessed through practical assessments, written tests and online tests.

## Pre-Professionals Programme
