## Digital Skills

### Entry 3/Level 1

LEVEL UP  
GET INTO CAREER MODE

THE BEST YOUNG IT PROFESSIONALS!

### Study Programme Overview

This qualification has been developed specifically to enable learners to become familiar with the basics of key digital skills, needed now and in the near future, and which will be essential if the UK is to rise successfully to the projected Digital Skills crisis.

The programme has been designed to help you understand the basic requirements of the Digital Skills sector, giving you the skills to progress to further study, then Higher Education or employment.

Engaging with employers is also an integral part of this programme – we will seek to ensure that you have opportunities to gain real-world experience of your chosen sector.

### What You'll Learn

Topics on your Study Programme will include:

- Using a wide range of devices confidently to store, maintain, secure and analyse data.
- Producing professional digital contents using a wide range of software applications, i.e. Word, Excel, Access, Web Design and Programming.
- Effective Digital Communicating – sharing and managing traceable online activities.
- Safe Transacting online – using online services securely when buying online.
- Digital Safety and Security – protecting yourself and your device whilst working online.

### Elements of study

Your programme consists of the following elements:

- Study of your chosen vocational subject - 50% of your programme
- Employability skills, such as punctuality, attendance, communication and team work
- Work experience or an Industry Placement, giving you a taste of working life
- Tutorial and personal development, such as healthy living, volunteering and citizenship skills

### Entry Requirements

4 GCSEs at grade 1 or above, including English and Maths.

### How will I be Assessed?

You will be assessed by practical activities, observations and an end of course exam.

### Pre-Professionals Programme

Working with your Learning Development Mentor (LDM), Tutors and Careers Coaches, you'll gain an insight and understanding of your sector, helping you to make important decisions about your future, whether that's university or employment.

Thanks to our partnership with the University of Bolton, you'll also benefit from everything the University has to offer, with a range of opportunities to build additional skills and experiences, giving you everything you need to become a **FUTURE IT PROFESSIONAL**, in whichever field you choose!

Exposure to employers is also an integral part of this programme – we'll seek to ensure that you have opportunities to gain real-world experience of your sector, giving you the qualifications and experience to progress!

### Supporting Your Learning and Wellbeing

We have a range of dedicated support and wellbeing services including **FREE** travel; **FREE** breakfast; dedicated Learning Development Mentors (LDMs); impartial advice and guidance; dedicated one-to-one support for learners with additional needs; and support with the cost of College, plus much more.

## Future Opportunities

After you have completed the course, you'll have the opportunity to progress to further study at College. Following this, you may decide to move on to employment, university, or explore the possibility of doing a Higher Apprenticeship (Level 4).

Following further study you could work as a:

- Computer Games Developer, earning up to £59,000 per year
- Computer Games Tester, earning up to £40,000 per year
- Web Designer, earning up to £40,000 per year

## Enrichment

Sitting a job interview, writing a personal statement, applying for university - taking part in our enrichment programme will give you a CV to wow in all of these situations! You'll benefit from:

- Inspiring trips and experiences
- Meetings with industry experts
- Visits to leading companies in your sector.

As well as giving you essential professional and technical skills, you'll demonstrate that you're a successful and well-rounded person, helping you to make a lasting impression.

We want you to have fun, so we also have plenty of leisure and sporting activities for you to enjoy, improving your health and wellbeing.
