

## THE BEST YOUNG ELECTRICAL PROFESSIONALS!

### Study Programme Overview

This qualification enables you to learn, develop and practise the skills required for employment and/or career progression in the electro-technology sector.

You will be taught by industry-experienced tutors in workshops that reflect the workplace.

The programme has been designed to give you a broad knowledge of the Electrical trade, giving you the skills to progress to further or higher study, or employment.

Engaging with employers is also an integral part of this programme – we'll seek to ensure that you have opportunities to gain real-world experience of your chosen sector.

### What You'll Learn

Topics on your Study Programme will include:

- Principles of Electrical Science
- Electrical Installation Technology
- Health & Safety within Building Services
- Basic Practical Skills

### Elements of study

Your programme consists of the following elements:

- Study of your chosen vocational subject - 50% of your programme
- Employability skills, such as punctuality, attendance, communication and team work
- Work experience or an Industry Placement, giving you a taste of working life
- Tutorial and personal development, such as healthy living, volunteering and citizenship skills.

### Entry Requirements

Electrical Diploma Level 1 or GCSEs in English, Maths and Science at grade 4 or above.

### How will I be Assessed?

You will be assessed by multiple choice tests, written assignments and practical observations.

### Pre-Professionals Programme

Working with your Learning Development Mentor (LDM), Tutors and Careers Coaches, you'll gain an insight and understanding of your sector, helping you to make important decisions about your future, whether that's university or employment.

Thanks to our partnership with the University of Bolton, you'll also benefit from everything the University has to offer, with a range of opportunities to build additional skills and experiences, giving you everything you need to become a **FUTURE SUCCESS**, in whichever field you choose!
