

THE NEXT LEVEL QUALIFICATION

T Level Transition Programme Overview

Healthcare science is one of the fastest-growing areas of the NHS. This means a healthcare science qualification will open up a range of opportunities, giving you the practical and technical skills to build an exciting, and high level, career!

This course is specifically designed to help you transition to the Laboratory Sciences T Level. If you...

- Are determined to progress on to the Laboratory Science T Level
- Would benefit from additional time to build your knowledge and skills in English and Maths to meet the entry requirements
- Are keen to prepare yourself to fit in, and make a good impression in the Laboratory Sciences sector

...then this programme is for you!

Tailoring the Programme to Your Needs - What You'll Learn

You'll learn the basics of your occupation at Level 2, and if you're ready, you may also take some units of the T Level programme.

Throughout, we'll assess your needs, identifying gaps in learning, so that at the end of your programme, you'll have the skills and confidence to succeed on the T Level.

Elements of study

Your programme consists of the following elements:

- Study of your chosen vocational subject, preparing you for progression to the T Level
- Employability skills, such as punctuality, attendance, communication and team work
- Work experience, giving you a taste of working life in your chosen sector
- English or maths, continued until the achievement of GCSE grade 4 or equivalent

Work Experience

Work experience is a key element of this programme, enabling you to develop the skills to successfully complete the T Level Industry Placement, and for future workplace readiness.

The course will consist of a 90 hour placement which leads to a 315 hour placement for the following year. Successful placements often lead to employment.

You'll be prepared for your work experience in advance with talks and pre-visits, ensuring you get the most out of your experience.

You'll also be supported to develop your employability skills - problem solving, interview skills, CV writing and more - as part of the programme.

THE NEXT LEVEL QUALIFICATION

Professional Development & Support

Working with your Tutors, Careers Coaches and Learning Development Mentor, this element of the programme will be tailored to your individual needs, supporting your progression to T Level. You'll receive individual mentoring and personal development tutoring, including:

- Activities to develop confidence and resilience
- Group work to develop communication skills
- Tutorials and seminars, including careers education
- Study skills, with opportunities to develop reading, writing, referencing and interpretation
- Life skills.

We'll also provide you with additional support, if you need it.

Supporting Your Learning and Wellbeing

We have a range of dedicated support and wellbeing services including **FREE** travel; **FREE** breakfast; dedicated Learning Development Mentors (LDMs); impartial advice and guidance; dedicated one-to-one support for learners with additional needs; and support with the cost of College, plus much more.

Entry Requirements

You must have at least one grade 4 in English or maths; a grade 4 in science; plus three other GCSEs at grade 3.

How will I be Assessed

You'll be assessed via a mixture of exam(s) and employer-set projects.

Future Opportunities

Successful completion of this programme will allow you to progress directly on to the Healthcare Science T Level, a qualification that will prepare you for employment in settings where healthcare science skills are always in high demand. You could then pursue a career as a:

- Pharmacy Technician, earning up to £30,000 per year
- Nurse, earning up to £37,000 per year

- Clinical Scientist, earning up to £91,000 per year
- As the T Level is equivalent to three A Levels, you could even decide to progress to university or a paid Apprenticeship, if you choose.

Enrichment

Sitting a job interview, writing a personal statement, applying for university - taking part in our enrichment programme will give you a CV to wow in all of these situations! You'll benefit from:

- Inspiring trips and experiences
- Meetings with industry experts
- Visits to leading companies in your sector.

As well as giving you essential professional and technical skills, you'll demonstrate that you're a successful and well-rounded person, helping you to make a lasting impression.

We want you to have fun, so we also have plenty of leisure and sporting activities for you to enjoy, improving your health and wellbeing.
